About Antares Vision

Antares Vision guarantees the protection process of products throughout their life cycle by deploying the most comprehensive and flexible technologies in the world – both in terms of hardware and software – in inspection systems, tracking solutions and smart data management, for the most demanding industrial sectors, from pharmaceuticals to medical devices, from food&beverage to cosmetics and fashion. The products and services of the Antares Vision group are available in over 60 countries and it has 3 offices in Italy (Brescia, Parma, Latina), 7 foreign branches (Germany, France, Ireland, USA, Brazil, India and Russia), 2 innovation and research centres in Italy and Ireland (Galway) and a network of over 30 partners worldwide. With 20 years of experience in vision technologies, Antares Vision supplies 10 of the world's 20 leading pharmaceutical companies: over 25,000 inspection systems assure the product's safety and quality each day and over 2,500 serialisation lines installed all over the world guarantee the traceability of over 5 billion products throughout the entire distribution chain. Since April 2019, Antares Vision has been listed on the Italian Stock Exchange and on the AIM Italia/Alternative Investment Market for dynamic and competitive SMEs. www.antaresvision.com
